

RIVERINA

RED LABEL LAYER PELLETS / MASH

PRODUCT DESCRIPTION

RIVERINA RED LABEL LAYER PELLETS / MASH is a complete feed for domestic laying hens from point of lay. This feed is the final stage in a three stage-feeding programme for laying hens.

TYPICAL COMPOSITION

- Wheat, barley, sorghum, maize, bran & pollard, combination of protein meals, vegetable oil, dicalcium phosphate, limestone, mould inhibitor, molasses, salt, bentonite, Riverina vitamin & mineral premix.
- Base raw materials may gradually change seasonally.

DIRECTIONS FOR USE

- Domestic laying hens should have unlimited access to the feed (*ad lib*).
- Feed intakes are typically 90 to 200 grams/bird/day and will vary with the season, variety of bird, lighting, shed conditions, disease status and other environmental conditions.
- Green feed and vegetable scraps can add some variety but it should only be a small part of the diet as egg production can suffer. Avoid feeding any mouldy feed.
- Clean, cool, fresh water should be available at all times.
- When hens enter the end of lay period, shell quality may deteriorate. Calgrit (coarse limestone) or shellgrit offered *ad lib* may help improve shell quality.

NUTRITIONAL ANALYSIS

PROTEIN	%	MIN:	15.00
CALCIUM	%	:	3.50 - 5.50
PHOSPHORUS	%	MIN:	0.60
FAT/EE	%	MIN:	2.00
C FIBRE	%	MAX:	8.50
LYSINE	%	MIN:	0.60
METHIONINE	%	MIN:	0.20
SALT	%	:	0.25 - 0.40
VITAMIN A	iu/kg	:	7,000.00

MOLYBDENUM	mg/kg	:	0.40
SELENIUM	mg/kg	:	0.20
ZINC	mg/kg	:	48.00

FEATURES

- Produced as pellets or meal.
- Formulated as a general purpose laying feed for household laying hens.
- RIVERINA RED LABEL LAYER PELLETS / MASH contains quality grain and protein meals.
- Balanced calcium & phosphorus for shell quality.

QUALITY PRODUCT

- Manufactured to strict quality control standards for incoming raw materials and the finished product.
- Formulated in accordance with current research into poultry nutrition and mixed using a variety of quality raw materials.

WITHHOLDING PERIOD

Nil.

WARNING

Contains RAM - do not feed to cattle, sheep and other ruminants.
Feed only to laying hens.

STORAGE

[Cool, shaded, dry conditions, away from vermin.](#)

BEST BEFORE

[Six months from the date of manufacture.](#)

PACK SIZE

20kg woven polypropylene bags.

This feed is scientifically formulated for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.
 Ver: 7.0
