

TRUEBLEND®

Product Description

RIVERINA TRUEBLEND® is a palatable molasses based pasture supplement for cattle and sheep grazing dry, mature pastures. This free flowing liquid feed contains a range of essential nutrients (protein, vitamins, minerals and trace minerals) that are lacking in dry pastures.

Typical Composition

Molasses, phosphorus, salt, urea, ammonium sulphate, other non protein nitrogen sources, vitamins, Bovatec® Riverina ruminant mineral premix.

Base raw materials may gradually change seasonally.

Directions For Use

- **THIS IS NOT A COMPLETE FEED.** It has been designed to be fed as a supplement to hay and / or pasture. Animals should consume at least 2.5% bodyweight/head/day of hay and/or pasture.
- **RIVERINA TRUEBLEND®** is designed to be fed ad lib.
- Place troughs at least 200m from watering points. Troughs can be moved to encourage stock to graze the entire paddock.
- Intakes should be closely monitored and if they exceed
- 1.5kg/head/day for adult cattle or 0.9kg/head/day for weaner cattle or 0.35kg/head/day for sheep, discontinue feeding the product.
- A reliable supply of clean water should be available at all times.
- Animals should be vaccinated with 5 in 1 injection before commencing to feed this product.
- If calves or lambs are being fed **RIVERINA TRUEBLEND®** additional sources of protein may be required.
- Following rain any liquid should be removed from the top of the fed **RIVERINA TRUEBLEND®** and discarded. The **RIVERINA TRUEBLEND®** should then be given a quick stir.
- Consult your Riverina representative for more information on how to feed this product.

Feeding Guide

Animal Type	Body Weight	Typical Intake
Weaners	150 - 300 kg	0.30 - 0.50 kg
Heifers, Dry Cow	300 - 400 kg	0.50 - 0.80 kg
Cow and Calf	400 kg	0.90 - 1.10 kg
Steers	400 - 500 kg	0.60 - 0.85 kg
Bulls	600+ kg	0.90 - 1.50 kg
Sheep		0.10 - 0.30 kg

- **NOTE:** If intakes exceed, the above levels contact your local Riverina Representative.
- DISCONTINUE FEEDING IF INTAKES EXCEED 1.50KG/HEAD/DAY FOR ADULT CATTLE 0.90KG/HEAD/DAY FOR WEANER CATTLE 0.35KG/HEAD/DAY FOR SHEEP
- Please read "Directions for Use of Liquid Pasture Supplements" at the start of the Beef cattle section or on the website.

Pack Size

1 tonne modules, 12t or 26t bulk tanker.

Nutritional Analysis

			As Fed	Dry Matter
Protein	%	MIN:	15.00	24.00
Urea	%	MAX:	1.90	5.00
Equiv. CP	%	MIN:	13.00	21.00
Calcium	%	MIN:	0.40	0.65
Phosphorus	%		0.80	1.25
Salt	%		10.00	16.00
Vitamin A	iu/kg		46,000.00	74,000
Vitamin E	iu/kg		220.00	350.00
Dry Matter	%		62.00	100.00
Energy ME	MJ/kg		7.00	11.00
Sulphur	mg/kg		6,200.00	10,000.00
Cobalt	mg/kg		2.10	3.30
Copper	mg/kg		12.60	20.00
Iron	mg/kg		42.00	67.00
Selenium	mg/kg		0.42	0.65

Features

- **RIVERINA TRUEBLEND®** is free flowing and less viscous than molasses.
- The sugars contained in molasses help improve the utilisation of urea in **RIVERINA TRUEBLEND®** which leads to more protein being produced.
- The improved intake of nutrients will stimulate the microbes in the rumen, leading to increased utilization of the pasture.
- **VERSATILE** - Can be fed to both sheep and cattle, even in the same paddock.

Quality Product

- Manufactured to strict quality control standards for incoming raw materials and the finished product.
- Formulated in accordance with current research into ruminant nutrition and mixed using a variety of quality raw materials.

Medication

This feed contains Bovatec® which supplies Lasalocid sodium at 250mg/kg on an 'as fed' basis to improve weight gain and feed efficiency in cattle and sheep.

Withholding Period

Cattle: Meat - Nil.
Milk - Nil.
Sheep: Meat - Nil.
Milk - See WARNING below.

Warning

Do not feed to horses or other equines as it may prove fatal.
Do not feed to lactating ewes where milk or milk products may be used for human consumption.
Urea can be poisonous to stock.
Do not feed to starving, thirsty or salt deficient stock.
Feed only to sheep and cattle.

Storage

Bulk: Sixty degree cone tanks with daily recirculation.
Modules: Require agitation before use.
Refer to website www.riverina.com.au for details.

Best Before

Six months from the date of manufacture.
